# Network Security, Certificate

**Provider:** Charter College, Anchorage
**Length:** 35 Weeks
**Cost:** $21,750
**Cost Unit:** Cost of the entire program

**Website**
http://www.chartercollege.edu/programs/consumer-disclosures

Charter's network security courses educate students on computer security, installing security software, monitoring the network for security breaches, responding to cyber attacks, and gathering data and evidence. Graduates will understand how to install, configure, and manage firewall devices, as well as develop security policies and procedures. Training includes Linux, Microsoft, and Novell networking technologies.
